The terminal expansion will ensure Adelaide Airport provides the highest level of customer experience for all travellers well into the future.

Terminal
Expansion
Project

Growing traffic to SA

- International passenger numbers (2005-2018) have tripled
- Overall passenger numbers (2005-2018) have increased by close to 50%

Better facilities for all

- Improved family facilities (including play area) in international departures
- Improved accessibility including Changing Places facilities and post screening assistance animal relief area

Premium lounges for a great travel experience

- Adelaide Airport's first VIP facilities for international arrivals and departures
- New common user lounge for international departures
- Virgin Australia lounge to be relocated

Expanding to meet growing needs

- Overall terminal footprint increased by 16,500m2
- Additional terminal refurbishment footprint: 18,400m2

Improved passenger flows for memorable journeys

- Gate 18 to be dedicated international departures gate
- Expansion to Emigration and security screening space - relocated from Level 2 (check-in level) to Level 1
- Second international baggage belt – overall length more than doubles from 70m to 170m

World class shopping & dining

- Total retail footprint increased by more than 80 per cent to 7,257m2
- Larger retail and dining precinct within international departures
- Expanded duty free precinct for international arrivals and departures

Adding to the State economy

- Workforce to reach 200 people at peak construction
- Additional 630 direct and indirect jobs due to retail expansion
- Project construction contributing $167 million to Gross State Product
