

# NEW ROAD SYSTEM AND ROAD CLOSURE

CLOSURE OF SIR RICHARD WILLIAMS AVENUE - EFFECTIVE 2 AUGUST 2011 (UNTIL WINTER 2012)

From 2 August 2011, Sir Richard Williams Avenue will be closed to facilitate construction of a new multi-level car park.

The internal road network around the airport has been upgraded to accommodate the day-to-day functions of the airport including:

- A new Western Link Road connecting Andy Thomas Circuit & James Schofield Drive.
- Upgrading of James Schofield Drive to two lanes in each direction.
- Access to Terminal 1 remains unaffected in the short term.
- Car hire returns will be via the new Western Link Road.
- Access to Gate J will be via the new Western Link Road.
- All traffic will exit the airport via the new Western Link Road.
- Only vehicles exiting the short term car park will utilise Sir Richard Williams Avenue.
