EMERGENCY SERVICES EXERCISE AT PARAFIELD AIRPORT

A field exercise will be conducted on Tuesday 10 August at Parafield Airport as part of its annual testing of the Airport Emergency Plan.

The exercise will start at approximately 10.00am and is expected to be completed by 12.30pm.

Local residents, businesses and passing motorists may notice heightened activity at the airport due to the participation of local emergency agencies, including SA Police, SA Ambulance Service, Metropolitan and Country Fire Services and the State Emergency Service, in the exercise.

News editors please note there will be no 'airside' access provided to media throughout the duration of the exercise.
