ROAD WORKS AT MAIN ENTRANCE TO ADELAIDE AIRPORT

Overnight road works will be carried out at the main entrance to Adelaide Airport this Monday, Tuesday and Wednesday night (August 9 to 11).

The works will be undertaken near the intersection of Sir Donald Bradman Drive and Sir Richard Williams Avenue between 9.30pm and 4.00am on all three nights.

While traffic will be restricted to one lane, delays are not anticipated. An alternative access route via Sir Hubert Wilkins Drive will also be available.

The road works will be cleared before the commencement of early morning flight operations on the Tuesday, Wednesday and Thursday.
